**JUNE  
21 - 26, 2026**

Embark on a transformative journey as we lead an exclusive delegation across Southeast Asia, exploring vibrant hubs in Vietnam, Malaysia, and Singapore.

Witness the heart of innovation in action—where Vietnam and Malaysia master cost-efficient production and cutting-edge IT/AI advancements, while Singapore thrives with its high-tech R&D and dynamic family office setups. Dive deep into Asia's fast-paced markets through engaging company visits, stimulating expert discussions, and unparalleled insights into the region's proven success strategies. This is your chance to experience firsthand what fuels Asia's dynamic growth and to discover opportunities that inspire and elevate your vision.
